Wall Street, New York, Aug. 25.—There was a marked decline in trading on the stock market, the total value of stocks sold being less than half a million shares.

Depression from foreign stock markets reflected here, and increasing uneasiness over to-morrow's statement were the prevailing features of the business.

Financial centers in Europe, obviously under renewed uneasiness over the situation in the Transvaal, sales for London account were sufficient to exercise a notable depression in American Tobacco, which carried it up to 6 per cent, but this was almost immediately lost.

The speculations were weak for the rest of the day.

Sugar being under severe pressure at times.

Its price was steady, and gold was about a point lower.

Brooklyn Transit and Manhattan succumbed to the prevailing weakness.

Tennessee Coal did better, but was only a fraction of a rise of over a point.

This was followed by a decline in coal.

Union Pacific performed well on suggestions of a coming increase in the dividend, which carried the price above 80.

Consolidated Gas, following yesterday's divided reduction and a general decline in the market, saw the dividend paid out.

It was increased, though the dividend paid out.

Gas, however, was still higher.
